Dear Mr. Kirchhofer:

I wish to thank you for your letter of May 9 with its enclosed photographs which I am glad to add to my collection. Also, many thanks for your kind remarks about my talk. By the way, you may possibly have noted that Senator Keating introduced the full text into the CONGRESSIONAL RECORD of May 14, 1959, with some kind introductory remarks.

It was a pleasure to have been in Buffalo and to have met so many friends.

Faithfully yours,

Allen W. Dulles
